If you are looking for a spa hotel in Marrakech, then maison mk is a must! Spa junkies will love our spa hotel. Marrakech's fusion of old and new creates treatments using traditional Moroccan methods and Argan oils combined together with contemporary European expertise. In our hotel spa, Morocco's vibrancy & energy is balanced with the relaxing private world within maison mk's cool walls.

In typical maison mk style we have taken it one step further and created a beautiful spa suite with a colourful treatment room and a traditional hammam.

the treatment room has pale polished tadelakt on the walls, and your massage is done by flickering candlelight or in calming darkness ensuring total absorption and relaxation.

the hammam is a place where you can enjoy the ancient ritual of body cleaning and exfoliating, practiced in Morocco for 1000's of years.

## ✦ FAQ's

### **What spa treatments do you have at spa mk ?**

We may be a small spa but we have most things covered. We offer a variety of massages, beauty treatments, packages, waxings, etc. Please look at our menu to see what we offer.

We have a full time spa therapist in-house and full time hammamiste, so we don't need to bring in outside therapists to offer a service (in one riad I had to have a massage on the dining room table...not what I was expecting !)

Sorry, we don't take children under 12 years old.

### **How far ahead can I book ?**

We take bookings up to one month ahead for external guests ( people that are staying at maison mk can book whenever they want...it's one of the privileges of being in-house). All bookings are taken online – it's easy to book & it means we get all the correct information & we can send you a lovely long & informative confirmation.

### **What time are you open ?**

We open from 10am, and currently the last treatment finishes at 6pm. (please not that we are closed on Wednesdays). But we are planning to extend the opening hours soon to open in the evenings as well & also on Wednesdays.

Any availability will be shown online so keep an eye out for the new opening hours !
